SCHEDULEPART I - ARTICLES AND SUPPLIES TO BE FURNISHED

(a) The Contractor shall furnish to the Government such equipment, spare parts, modification kits, components, and data for equipment of types which are being or may hereinafter be manufactured by the Contractor as the Government may call for hereunder. Quantities of the supplies to be furnished shall be determined as hereinafter provided.

(b) From time to time, the Government will furnish to the Contractor, Production Lists, numbered serially, setting forth the items which the Government desires to procure, together with the desired delivery schedule and preservation, packaging, packing and marking requirements therefor. Each such Production List shall set forth therein the estimated dollar amount thereof. Supplies of a critical nature in Production Lists shall be earmarked with an asterisk preceding the part number and the Contractor agrees to achieve earliest possible delivery of such items. The Contractor will promptly delete from said lists any items rendered obsolete by design changes and insert in lieu thereof superseding and interchangeable items, if any, in the same or lesser quantities, as appropriate. Upon acceptance or after these deletions and insertions, if any, the request will be an Approved Production List. The Contractor will immediately transmit six (6) copies of the Approved Production List, together with any pertinent information concerning the superseded items and any superseding non-interchangeable items to the Contracting Officer and his duly authorized representatives so that superseding parts numbers can be procured on subsequent Production Lists. The Contractor will be obligated to furnish the items in the quantities listed therein, and subject to its rights elsewhere specified in this contract, the Government will be obligated to take delivery of the items so furnished on an Approved Production List. Where Approved Production Lists do not contain a quantitative delivery schedule, the Contractor shall forward estimated date of delivery of critical supplies. The Contractor is hereby authorized to make delivery in advance of the schedule appearing on any Approved Production List under this contract.

(c) If it appears to the Contractor at any time that the total price of the total quantity of items covered by any or all Approved Production Lists is likely to exceed the funds allotted hereunder in PART VII, the Contractor shall notify the Contracting Officer and the authorized representative of the amount of such excess. Within thirty (30) days after receipt of such notice, the Government will either notify the Contractor it has taken action to increase the funds allotted, or will notify the Contractor of the items or quantities to be deleted from such Approved Production Lists in order to bring it within the dollar amount thereof. If the Government fails to act within said thirty-day period, the Contractor shall submit to the Contracting Officer and the authorized representatives a recommendation of the parts to be deleted to bring the Approved Production List within said dollar amount and the Contracting Officer shall approve or

disapprove such recommendations within ten (10) days after receipt thereof. If the Contracting Officer fails to act within said ten (10) day period, the recommendation of the Contractor shall be deemed to have been approved and the Production Lists shall be modified accordingly. If the Government deletes items or quantities from an Approved Production List, such action shall be considered a partial termination under the clause hereof entitled "Termination for Convenience of the Government."

PART II - PROCEDURE FOR PRICING

(a) As soon as possible after receipt by the Contractor from the Contracting Officer of a Production List, but in no event more than sixty (60) days after such receipt, the Contractor shall prepare and submit to the Contracting Officer a Proposed Priced Exhibit, numbered the same as the Approved Production List with the unit and total prices and delivery schedule covering the items shown thereon. A reproducible original and at least six (6) copies of the Proposed Priced Exhibit will be prepared and shall be delivered promptly by the Contractor to the Contracting Officer. The reproducible and three (3) copies shall carry at the end thereof, a certificate manually signed by an officer or other person authorized to bind the Contractor, stating that the prices therein represent a firm quotation. Each such Exhibit shall require the written approval of the Contracting Officer stating the prices therein are fair and reasonable. Each such Exhibit shall set forth therein the total dollar amount.

(b) If the Proposed Priced Exhibit is approved by the Contracting Officer it shall be a numbered exhibit to the contract. If the Contracting Officer and the Contractor fail to agree on Prices in the Proposed Priced Exhibit, the failure to agree shall be deemed a disagreement as to a question of fact which shall be disposed of in accordance with the clause hereof entitled "Disputes." The Contracting Officer shall reduce to writing by a Proposed Priced Exhibit his decision, containing prices he believes fair and reasonable. The prices decided by the Contracting Officer shall be paid upon all deliveries, pending final decision of the dispute.

(c) Upon approval of any Priced Exhibit, the Contracting Officer shall deliver a copy thereof to the Contractor and forward one copy thereof bearing his written approval to the Finance Officer responsible for making payments under this contract. Upon Government's acceptance of delivery of any of the items listed on an Approved Priced Exhibit, the Contractor shall be entitled to be paid therefor at the prices shown on the Approved Priced Exhibit.

(d) The Contractor shall be paid upon the submission monthly of properly certified invoices or vouchers, for partial deliveries accepted by the Government, or, when requested by the Contractor, payment for accepted partial deliveries shall be made whenever such payment would equal or exceed either \$1,000.00 or 50% of the total amount of the Approved Priced Exhibit.
